Delhi Middle School
School Choice Information
May 4, 2018

Dear Parent and/or Guardian:

Federal law requires school districts to offer families in schools that have been identified as a “school in need of improvement” the chance to transfer their children to other public schools in the same district. Your child’s school has been identified as a “school in need of improvement” and you are allowed to choose to enroll him or her in another school. To help you understand how the choice program works, here are some answers to questions you may have.

Why was Delhi Middle School identified as a “school in need of improvement” and how does it compare to other schools in Richland Parish and other schools in Louisiana?

According to Louisiana State guidelines, Delhi Middle School has been deemed a school in need of improvement, with a letter grade of “D”. This letter grade is based on the school data from the 2016-2017 school year.

What is Delhi Middle School doing to address the problem of low achievement, and what are the school system and the Louisiana Department of Education doing to help them address the problem?

- Staffing with highly qualified teachers and paraprofessionals
- Effective professional development programs for all instructional staff based on best practices targeting student engagement and academic success
- Positive Behavior Intervention Support (PBIS) for students
 - Ram Bucks, Caught Being Good, Candy Bags, & Field Trips
- Tier I (state approved) curriculum that is aligned with the Louisiana Standards in Math and ELA in all grades
- 21st Century Grant will continue to provide after school tutoring and summer school
- Computer labs and programs are used to provide technology access and to provide remediation opportunities
- Parent centered Technology and Core Subject (ELA, Math, Science, and Social Studies) each semester
- Seventh & eighth grade students have the opportunity to earn high school credits that will count towards high school graduation.

- Sports
 - Football
 - Basketball
 - Track/Field
 - Cheerleading
- Students participate in 4-H & D.A.R.E.
- Chrome books – help engage students with interactive lessons and prepare them for an increasingly digital workforce.

How can I become involved in addressing the problems that cause Delhi Middle to be identified as a school in need of improvement? Families are encouraged to arrange a private conference with their child’s teachers to discuss ways to improve academic performance. Families are also invited to participate as members of the School Improvement Team at Delhi Middle School. The School Improvement Team is a group made up of the principal, teacher and parents that work to improve the education and overall learning experience for all students at Delhi Middle School. Even if a family member does not serve as a member of the School Improvement Team, he or she may attend meetings of the team to discuss possible changes in any area of instruction to improve Delhi Middle School.

Do I have to transfer my child to another school? No. We are providing families with this opportunity as an option. The decision is entirely up to you, so you should base your decision on **what you think is best for your child**. If you choose to have your child attend school at Delhi Middle School, continue with the registration process as required. If you do choose to transfer your child to the new school, he or she **must remain there for the full school year**. **Once Delhi Middle School becomes academically acceptable, students will return to Delhi Middle.**

To which schools may my child transfer?

Under the School Choice Program, students at Delhi Middle School may choose to attend one of the schools listed on the application (see next page). Please note that the letter grades listed are from last year. If you choose to have your child attend one of these schools, please select your first and second choices, with your **first choice as #1**, and your **second choice as #2** on the enclosed choice form. These schools have higher School Performance Scores than Delhi Middle School.

What if I choose to have my child continue to attend Delhi Middle School?

You would continue to send your child to Delhi Middle School as registered.

Is my child guaranteed a place in an accepting school?

Every effort will be made to give parents their first choice if requesting a transfer. However, it is possible that your child may not be granted enrollment in your first school of choice. Students will be granted enrollment in a school based upon **enrollment limits, individual achievement scores, and income levels as prescribed by the Every Student Succeeds Act (ESSA)**.

Will my child be eligible to participate in extra-curricular activities in the new school?

Your child will be eligible to participate in extra-curricular activities at the school.

How will my child get to a receiving school?

If your transfer application is approved, your child will have free transportation to the receiving school. Transportation will be provided by Richland Parish School Board. Should your child become ill and need to go home early, parents must provide transportation home. Transportation will not be provided for the child to attend activities before or after school such as extra-curricular activities or for parents to attend parent meetings and evening programs.

Bus pick-up could be as *EARLY as 5:45 AM*. Return home could be as *LATE as 5:00 PM*.

What is the deadline for applying? *Thursday, May 31st*

You may return your Choice Request form to Delhi Middle School prior to **Wednesday, May 23, 2018**. After May 23rd, your Choice Request form must be returned to the Richland Parish School Board office located at 411 Foster St. in Rayville. An application may also be mailed to the following address:

Richland Parish School Board
Attn: Christy Hendrix
PO Box 599
Rayville, LA 71269

The applications must be postmarked by May 31st to be considered.

Applications WILL NOT be accepted after 4:30 PM on Thursday, May 31, 2018.

When will you tell me if my transfer application is approved?

Parents will receive an official notification by **Thursday, June 28, 2018**, informing them if their choice request is approved.

Sincerely,

Christy Hendrix
