**Rayville Junior High School**  
**School Choice Information**  
**May 4, 2018**

Dear Parent and/or Guardian:

Federal law requires school districts to offer families in schools that have been identified as a “school in need of improvement” the chance to transfer their children to other public schools in the same district. Your child’s school has been identified as a “school in need of improvement” and you are allowed to choose to enroll him or her in another school. To help you understand how the choice program works, here are some answers to questions you may have.

**Why was Rayville Junior High School identified as a “school in need of improvement” and how does it compare to other schools in Richland Parish and other schools in Louisiana?**

According to Louisiana State guidelines, Rayville junior high School has been deemed a school in need of improvement, with a letter grade of “D”. This letter grade is based on the school data from the 2016-2017 school year.

**What is Rayville Junior high School doing to address the problem of low achievement, and what are the school system and the Louisiana Department of Education doing to help them address the problem?**

- Staffing with highly qualified teachers and paraprofessionals
- Effective professional development programs for all instructional staff based on best practices targeting student engagement and academic success
- Positive Behavior Intervention Support (PBIS) for students
- Tier I (state approved) curriculum that is aligned with the Louisiana Standards in Math and ELA in all grades
- 21<sup>st</sup> Century Grant will continue to provide after school tutoring and summer school
- Computer labs and programs are used to provide technology access and to provide remediation opportunities including text to speech and read aloud programs
- Parent centered ELA and Math nights each semester
- Parent center allows parents access to educational materials
- School Building Level Committee meets regularly to evaluate at-risk students and make recommendations to assist student
- Provide opportunities for students to participate in Job for America’s Graduates (JAG)
- Honor classes to challenge higher performing students
- Choir/music opportunities
- JCALL to alert parents of students being absent or tardy to school/class

**How can I become involved in addressing the problems that cause Rayville junior high to be identified as a school in need of improvement?** Families are encouraged to arrange a private conference with their child's teachers to discuss ways to improve academic performance. Families are also invited to participate as members of the School Improvement Team at Rayville Junior High School. The School Improvement Team is a group made up of the principal, teacher and parents that work to improve the education and overall learning experience for all students at Rayville junior high School. Even if a family member does not serve as a member of the School Improvement Team, he or she may attend meetings of the team to discuss possible changes in any area of instruction to improve Rayville Junior High School.

**Do I have to transfer my child to another school? No.** We are providing families with this opportunity as an option. The decision is entirely up to you, so you should base your decision on **what you think is best for your child.** If you choose to have your child attend school at Rayville Junior High School, continue with the registration process as required. If you do choose to transfer your child to the new school, he or she **must remain there for the full school year. Once Rayville Junior High School becomes academically acceptable, students will return to Rayville Junior High.**

**To which schools may my child transfer?**

Under the School Choice Program, students at Rayville Junior High School may choose to attend Mangham Junior High (see next page). Please note that the letter grades listed are from last year. If you choose to have your child attend Mangham Junior High, please place a check (✓) by Mangham Junior High School on the enclosed choice form. This school has a higher School Performance Scores than Rayville Junior High School.

**What if I choose to have my child continue to attend Rayville Junior High School?**

Students will be granted enrollment in a school based upon **enrollment limits, individual achievement scores, and income levels as prescribed by the Every Student Succeeds Act (ESSA).**

**Will my child be eligible to participate in extra-curricular activities in the new school?**

Your child will be eligible to participate in extra-curricular activities at the school.

**How will my child get to a receiving school?**
