

Showing an Odysseyware Course/Lesson on a SMART Board

Log in to your account. Click on the Courses tab and find the course (I am attaching a copy of the courses available for 2015) you want to show the class from your SMART Board. I chose Career and Technical Animal Systems.

Then over to the right there is an eye icon  click on it and you will see exactly what students at the computer will see.

Career and Technical Education - Animal Systems

HOME ASSIGNMENT ALERTS SCORE SETTINGS

Published

- Animal Systems
 - NATURE AND SCOPE OF ANIMAL AGRICULTURE IN OUR SOCIETY AND ECONOMY
 - Course Overview
 - History of Animal Agriculture
 - Project: In My Tribe
 - Advancements in Animal Agriculture
 - Project: The Discovery that Changed Farming
 - Today's Animal Agriculture and Consumer
 - Project: Reliance on Animal Products in Daily Life
 - Quiz 1: Animal Agriculture
 - Animal Behavior and Safety Practices in Animal Agriculture
 - Project: For the Love of Animals
 - Animal Breeds and Classification
 - Project: A Breed Apart
 - Careers in Animal Agriculture
 - Quiz 2: Animal Agriculture in our Society
 - Project: Special Project

On your SMART Board whole/small group you will be able to go through lesson summary, objectives, vocabulary, vocabulary game, lesson section, quiz, lesson section; there is a video on the history of animal agriculture, pictures, quiz, lesson section, quiz, review, reflection, game, and finally a spelling bee game. (I am attaching a printed copy of this lesson)

You can do all of these or a few. Not all lessons have videos, but all will have information and quizzes. So if you have difficulty teaching part of your course you can look on Odysseyware and see if they can help or explain in a different way.

I am adding these resources to the Odysseyware Webpage that can be found on any Richland Parish Website on the right side of the page.  <http://richland.k12.la.us/ow.html>

Technical Support is wonderful and they want you to call 877-251-6662!
