Act 1 of the 2012 Regular Legislative Session state that no teacher who is rated Ineffective shall receive a higher salary in the year following the evaluation than he/she received in the year of the evaluation.

**** Guaranteed salaries in the above table are supplemented with sales tax collections in June and December of each year. The amount distributed is dependent upon collections during the year. Amounts listed in the chart below are from June 2016 and December 2016 and are for example only. Experience level is based upon total years of certified teaching experience at any public or private school accredited by one of the seven U.S. regional accrediting agencies or agency recognized by the U.S. Department of Education.**
