### To Our Parents and Students:

Your support with providing the listed materials and supplies is greatly appreciated. Your help with this enables your child to have the basic materials that s/he needs to be prepared and complete everyday activities in the highly interactive and hands-on classroom.

Your child's teacher will make every effort to make efficient and effective use of the materials you send to school with your child. Your child may also need to replenish supplies throughout the year, like pencils, paper, and crayons.
