Principal Statement

I would like to take this opportunity to welcome you to a new 2021-2022 academic school year. I am your newly appointed Delhi Middle School principal. I have been an educator for the Richland Parish School Board for the past 25 years. As an educator, my philosophy on teaching is that through effective and quality instruction all students have the ability to learn to the best of their full potential. As the instructional leader, I will be fully committed to ensuring that your child receives the best and safest educational experience possible. The entire Delhi Middle School staff is committed to meeting the individual needs of each child. We have high expectations of all students and strive to ensure that each child meets a level of success consistent with their abilities. This is best accomplished with the assistance and cooperation of parents and stakeholders. Delhi Middle School has a long history of positive parental and community involvement and we encourage you to be actively involved in your child's education.

Delhi Middle School's faculty and staff truly believe these three key components, Home, Community and School make up a winning team! Our only concern is that everything we do must be in the best interest of our students. We will meet any new challenges head-on and build upon our past successes. As the instructional leader, I bring a belief that the students are the focus of all school-related decisions. I am excited to bring my experience, my openness to learn, and my child-centered approach to support our students. Because the relationships between families and the school are vital to the success of our students, I encourage you to become involved in every way possible. I look forward to the collaboration and support we will be able to give each other.

I am here to make every effort to help your child reach his/her fullest potential. I vow to give the absolute best of my abilities to our students', and I will request the same efforts from our staff and school community. Together we will continue to move Delhi Middle School students towards their future educational endeavors. This will be done while maintaining a safe, productive and conducive learning environment, guided with love and support helping them obtain an illuminating and prosperous future. Join me in working toward another great school year at Delhi Middle School. In the words of former DMS Principal, Floyd McDade, "It is a Great Day to be a Delhi RAM".

Delhi Middle School***

Philosophy of Delhi Middle School

The educational philosophy of Delhi Middle School is one which provides the very best teaching and learning environment possible. One which is caring and safe; developing the qualities of self-esteem, creative and critical thinking, respect for self and others and positive attitudes toward school and learning. It is the belief of our school that we should foster, in our students pride, self-confidence, and a love of learning, while they develop physically, mentally, emotionally and socially into mature, responsible citizens. We are committed to the philosophy that the child must be placed at the center of learning, actively acquiring skills needed to think clearly, communicate effectively in order to make sound decisions.

We believe . . .

Education is a lifelong process and continuous improvement is a value we model and instill in our students.

Educational excellence is a collaborative process and is a shared responsibility of the student, the family, and the Delhi Middle School staff.

Educational experiences for students should be founded in the rigorous study of the academic disciplines.

Educational experiences for students should enable them to become effective communicators, independent learners, and motivated critical thinkers.

*“The function of **education** is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true **education**.” Dr. Martin Luther King,*

II. Students

Arrival at Delhi Middle School

School begins at 7:40 with an assembly in the gymnasium. For those students who ride carload or walk to school, we ask that they arrive at school no earlier than 7:15. This is especially important on cold or rainy days. Students are **NOT** permitted to enter the building before 7:15 as no adults are assigned duty until this time. Students should go to eat breakfast.

Tardy Policy at Delhi Middle School

Zero Tolerance for Tardiness. A student is tardy after the bell rings at 7:43. No students will be allowed to check into school without a parent/guardian reporting to the office and signing the student in. The student will be allowed to enter class with an excused tardy pass from the office. However, habitual tardiness will not be tolerated. Students arriving late for school a **4th time** will be subject to a **1-day suspension**. The parent/guardian of students who are excessively tardy will be contacted by the principal, assistant principal, or truancy officer.

Dismissal at Delhi Middle School

School will be dismissed at 3:00 p.m. All students who ride buses will exit the school in an orderly manner. All other students will wait in their classroom until the second bell rings. The second bell signals the dismissal of those students on carload and those students who walk home.

School-Wide Positive Behavior/Expectations

School-Wide Positive Behavior is a proactive program aimed at focusing on replacing undesired behaviors with positive behaviors in the classroom and around the campus. School-Wide expectations are a list of 3-5 specific positively stated characteristics or concepts that apply to all faculty and students. A school's behavioral expectations are the foundation of implementing school-wide positive behavior. These expectations are in line with the school's mission statement and are taught to all faculty, students, and families. These concepts are general enough to be applicable in multiple settings, but specific enough to be of assistance when generating rules for targeted settings. Incentives and consequences are established to support the school-wide behavior expectations. Incentives are used to reward appropriate behaviors that support the school-wide behavioral expectations whereas the consequences address behaviors not meeting the school-wide expectations. Students will go on one field trip per semester (TBA).

GRADING POLICY:

The following numerical values shall be used to determine letter grades in Richland Parish Schools.

PROGRESS REPORTS:

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Richland Parish Title 1 believes that it is the system's responsibility to assist schools in coordinating and implementing programs for and with parents that will address the needs of students, parents, families, communities, and the school.

How can you get involved?

- Join the Parental Action Committee. Meetings are held four times each year where parents and staff can review the school's improvement plan, family engagement policies, and parent nights.
- Attend our annual Back to School Night. At this meeting, you can find out about the requirements of the Title 1, Part A program. An explanation of this policy is also included in the school's handbook.
- Attend our parent nights twice each semester to learn about the school's goals and objectives for our students, the various curricula and assessments used by the school, the Louisiana State Student standards, and the LEAP 2025 state assessments.
- Parents can offer suggestions and participate, as appropriate, in decisions about the education of their child at any time. These suggestions can be made through the teacher or office.

“Climbing to New Heights” Family Nights

You, as a parent of a student at DMS, have the opportunity to learn about our school through the

“How to Train to Your Ram!”
Program

Twice each semester, DMS will host a meeting that will provide parents with the opportunity to gain a better understanding of the curriculum, the state standards, their child's progress, school and state assessments, learn curricula “How To's” presented by knowledgeable teachers, and students.

We will have a great time set aside for learning and fellowship!
