*We ask that you please review this handbook with your child and/or children. Mangham Elementary School and the Richland Parish School Board have teamed together to create a handbook that is inclusive of the many policies and procedures that are important to you as a parent. Other policies that are not included in the handbook are available at our school or the Richland Parish School Board office, or online at [Richland.k12.la.us](http://Richland.k12.la.us). A copy of the **Mangham Elementary School-Parent Compact** should be signed and kept on file at the school. Your signature will indicate that you have received and reviewed this handbook with your child and understand all of the policies and procedures.*

*I consider it an honor to serve as Principal of Mangham Elementary. Mangham Elementary School*

## ***Just A Few Things You Should Know...***

### **Attendance**

MES students are required to attend 63,720 minutes a school year. MES offers over 63,720 minutes each school year. This makes it seem that students can miss days and pass, but parents should keep in mind that we have minutes built in for occasions such as inclement weather, playoff games, shortened school year, emergencies, etc. If we have to use those extra minutes, it will decrease the amount of time a student can miss and still pass. Also, keep in mind that we move quickly through our curriculums and your student can get behind if they miss too many days.

We know that there are times when students must miss school. This could be due to illness, doctor visit, family problems, etc. **It is very important that you send in excuses when your student misses school.** Richland Parish School Board policy states that MES can only excuse those absences that have the proper documentation (Dr.'s excuses, military, funerals, etc.) Even if your student does not go to the doctor, it is important to send in a written excuse. School board policy states: *“For a student to be eligible to receive credit and make up work following an absence, the student shall be required in each instance to submit parental confirmation of the reasons for the absence. If a student is tardy or absent, the parent or guardian must submit a written excuse, signed and dated, to school authorities upon the student's return to classes, stating the reason for the student's absence from school.”* If the student requires outside services such (i.e., therapy, chemo treatment, etc.), a one-time excuse can be provided to the office by the attending therapist or doctor outlining the times and days for the service. Contact the school for information on proper documentation.

Please do not wait until the end of the year to try to clear up absences. Richland Parish Policy states: *“All excuses for a student's absence must be presented within five (5) school days of the student's return to school or the absence shall be considered unexcused and the student is not allowed to make up work.”*

### **JCALL SERVICE**

Our JCALL service will notify parents/ guardians by phone when their student's name appears on the absentee or tardy list. After five absences, a letter explaining Act 745 will be sent home in your student's dragon folder. Read the letter carefully and review the attached list of absences. Please sign your letter and return it to the school with any excuses you may have. MES will monitor each student's attendance and will alert parents when their student is in danger of being retained. If you have questions, you may call or make an appointment with the principal or assistant principal to discuss your child's attendance.

Excessive absences will be reported each month to the Richland Parish School Board Child Welfare Officer, Mildred Davis.

## Student Attendance and COVID 19

School attendance aligned to the Compulsory School Attendance Law (R.S. 17:221) and the 63,720 minimum instructional minutes' requirement of Bulletin 741 will be mandatory for this school year 2021-2022. For students who attend in-person instruction, attendance will be recorded in the teacher's grade book and using Web-JPAMS. For students in the virtual setting, attendance will be recorded through student on-line participation in the online format as outlined in the Richland Virtual Academy handbook. To receive credit and attendance for courses, students are expected to complete student work assigned by the teacher.

### COVID Screening

Parents are encouraged to complete a student health screening at home before sending students to school. When completing a student self-screening, parents should look for the following symptoms.

1. Symptoms that may require a student to stay home and/or leave school:
  - a. Any one of the symptoms below:
    - i. Fever of 97F or greater
    - ii. Persistent cough
    - iii. Shortness of breath or difficulty breathing
    - iv. Active vomiting or diarrhea
  - b. Emergency warning signs: Get medical attention as soon as possible:
    - i. Trouble breathing
    - ii. Persistent pain or pressure in the chest
    - iii. New confusion or inability to arouse
    - iv. Bluish lips or face
    - v. Or, at least two of these symptoms:
      1. Fever
      2. Chills
      3. Repeated shaking with chills
      4. Muscle pain
      5. Sore throat
      6. Headache
      7. New loss of taste or smell
      8. Unexplained rash
2. All students with the above symptoms will be isolated under the supervision of the office until the student is picked up.
3. It will be the responsibility of the parent/guardian to promptly pick up the student from school.
4. In the case of a student who tests positive for COVID, parents are required to notify and update the principal of the student's health status.

**If a student exhibits any of these symptoms, the student should remain at home or if the student presents one or more of the above symptoms at school, school personnel will contact the student's parents or guardian to come pick them up.**

## COVID School Protocols

(From Louisiana Department of Education’s “Ready to Achieve 2021-2022 School Operational Guidelines; June 2021.) In light of the Governor’s Roadmap to Restarting Louisiana, the Department is issuing guidance pertaining to opening public and nonpublic school facilities to serve students in the 2021-2022 school year.

This guidance is based on the current medical knowledge of how COVID-19 is transmitted, exposure to respiratory droplets when a person is in close contact with someone who has COVID-19.

Protective measures in school settings include:

- Social distancing, achieved by establishing and, for the maximum number of days possible, maintaining small groups of individuals that minimally interact with other groups or individuals, including shared indoor spaces;
- Correct use of masks;
- Handwashing and respiratory etiquette;
- Cleaning and maintaining healthy facilities; and
- Contact tracing in combination with isolation and quarantine.

### School Planning for COVID-19 Cases

1. Given the levels of COVID-19 currently in our communities, school should plan for and expect that some students will get COVID-19 during the school year.
2. As part of their planning to reopen, schools should expect that there will be students who get COVID and that those students will possibly expose other students/staff in the school setting.
  - a. Students who are sick should stay home (regardless of illness.)
  - b. Students who have COVID should stay home and remain isolated until they have recovered and have been determined to no longer be infectious according to the CDC’s end of isolation criteria.
  - c. Individuals who were in close contact of the student may be identified and contacted as part of the Office of Public Health (OPH) contact tracing process.
    - i. **Close contact of a case** is a person who was within 6 feet from a student for more than 15 minutes, determined by the OPH contact tracing process.
  - d. **Close contacts** will be asked to stay home and monitor symptoms for 14 days.
  - e. Not every student/faculty member in a school will need to stay home for 14 days, just those who are identified as **close contacts of a case**.
  - f. Options to shorten the duration of quarantine if contacts remain asymptomatic include:
    - i. If no symptoms develop during quarantine AND they have a negative antigen or PCR/molecular test collected no earlier than day 5 after their last exposure; they may quarantine for 7 days from last contact with a COVID case OR
    - ii. If no symptoms develop during quarantine and no testing is done: they may quarantine for 10 days from last contact with COVID case.

- iii. If quarantine is shortened, daily symptom monitoring and strict adherence to prevention measures including social distancing, hand washing, and especially wearing mask/face coverings should continue until the full 14 days from last contact with COVID case.
  - iv. Because there is an increased risk of post-quarantine transmission associated with options to shorten quarantine, the 14-day quarantine period should be used in school settings where masking among children is not maintained.
  - v. Close contact who were previously diagnosed with COVID within the last 90 days and remain asymptomatic do not need to quarantine.
  - vi. Close contacts who are fully vaccinated (i.e.,  $\geq 2$  weeks following receipt of the second dose in a 2-dose series, or  $\geq 2$  weeks following receipt of one dose in a single-dose vaccine) at the time of exposure and remain asymptomatic do not need to quarantine.
3. The decision to close schools is an individual, case-by-case process. That decision will ultimately be made by school leadership, with guidance and expertise from their Regional Medical Director. Factors that will be considered in closing a school or classroom will be the level of community transmission, the number of students/faculty affected and the risk of spread at the school.

## **Protective Precautions**

In order to minimize exposure to COVID, several protective precautions will be observed:

**Masks** are not mandated by the Richland Parish School Board for the 2021-2022 school year and can be worn on a strictly voluntary manner if the parents desire it. Students diagnosed with severe breathing difficulties should not wear a mask.

**Social distancing** is an effective way to prevent potential infection. RPSB employees, students, parents, and visitors should practice maintaining a distance of at least 6 feet. Students will be assigned static groups (pods) that will be maintained as long as possible. The composition of the groups may change if students are able to maintain a physical distance of at least 3 feet from other students and 6 feet from adults in the classroom or indoor setting. Groups should remain separated when outside.

**Cleaning and personal hygiene** are keys to preventing infection. High-touch surfaces should be cleaned at least twice per day, including bathrooms. Students should wash or sanitize hands upon arrival at the school, before and after eating, before and after using outdoor play equipment, and before exiting the school building. Students should be encouraged to cough or sneeze into their elbow or a tissue and avoid touching their eyes, nose or mouth.

### **Arrival at Mangham Elementary School**

School begins at 7:40 am. A student is tardy if he/she arrives to their classroom after the bell rings at 7:40 am. The only excused tardy is a medical note and excessive tardiness will be reported to the Child Welfare Officer for further review.

**Students are not allowed in the building before 7:15 am. Do not send your student in before 7:15 without permission even if you see other students come inside. These parents have obtained from the principal for permission to drop their children off early.**

Kindergarten and first grade students will eat breakfast in the cafeteria before going to the classroom. All other students will eat in their classrooms. Car riders who are planning on eating breakfast before class will need to be at school around 7:20 am. This will give them time to eat, visit the bathroom and get to class on time. Duty teachers will be at their stations at 7:20 am.

### **Dismissal at Mangham Elementary School**

School will dismiss at 3:06 pm.

**CAR:** Students who are to be picked up in cars will begin loading at 3:00 in the front of the school.

**BUS:** All other students will board their buses in the back of the school as soon as possible. They will be released at the 3:06 bell.

No student should be on the school campus after dismissal (3:10 pm) unless under the direct supervision of a faculty member. If it becomes evident that a parent is habitually picking their child up after 3:10 pm, the local police department will be called.

### **Early Dismissal at MES**

Please avoid early checkout as much as possible except in the case of an emergency or an appointment. When possible, medical or dental appointments should be made after school. The parent, or authorized person, must report to the office and sign the student out. **No one under the age of 18 years of age will be allowed to check out a child unless they are the parent of the child or have written permission signed by the parent of the child.** The child will be summoned to the office via the intercom. Excessive early checkouts will be reported to the truancy officer and/or the FINS (Families In Need of Services) officer and, if enough minutes are missed, a ½ day or even a day can be added to the attendance record.

### **Bus Loading Area**

Buses will be loading in the rear of the school and will load at MES first, then travel to the high school. Parents are not allowed in the back of the school. **If you must have your student once they have boarded the bus, please call the school and we will have them removed from the bus if it has not left the parking lot. Once the buses leave for the high school, students will remain on the bus. Do not go to the high school and try to get your student.** Parents are not

allowed to approach a bus or board a bus at any time. We do believe that any inconvenience this policy may cause is worth it for your safety as well as the safety of our students.

### **Carload Pick-up/Drop-off**

*If at all possible, MES students should ride the school bus to school and home to help decrease the traffic problems around the school.*

**Morning Car Procedure:** Cars will enter the school parking lot at the north entrance and form a single line to the right. Please do not use the middle driveway. That driveway is used by teachers to access the parking spaces in front of the school. A duty teacher will be present out front at 7:20 am to assist students who cannot exit the car without help. All other students should be able to exit the car on their own and make their way to the entrance where their temperature will be taken. If the line of cars has stopped and your car is next to the arcade, your student can exit the car and walk up the sidewalk. This will allow several cars to leave at one time and make carline go faster. For students who cannot get out of car by themselves, please pull up to the overhang. Do not drop your student(s) off on the road.

Under no circumstances should any cars be in the bus area behind the school or use the driveway from the elementary to the high school during morning arrival or afternoon dismissal.

**\*Afternoon Car Procedures:** Car riders will be picked up at the front entrance of the school. Please park in the north parking lot in the lanes marked for you. There will be 2 staging lanes for cars to line up in until the lot is full. Drivers must remain in their vehicles and in the car line. **No students should be dropped off or picked up on the street.** Please wait in the staging area (asphalt parking lot) until you are instructed to drive forward by the duty teacher. Please stay in your lane. When the lines are stopped, please put your car in park until signaled to drive forward. Also, remember that it is illegal to be on your cell phone in the car line so please refrain from calls, texting or internet surfing while in line. Be extra vigilant for students, staff and other cars during car line.

We will begin loading and releasing as many cars as possible while we waiting for the buses to leave the high school. You will be directed to form a single line before exiting to the road. Do not park in the south parking area and walk in to get your student. Doing this puts you and your children in danger. If you need to get your student early, please check them out before 2:30. Car line should finish quickly and all students should be off campus by 3:10 pm.

**All cars are to exit out of the south driveway. Do not turn right toward the buses.**

### **Walkers**

If your student is to walk home each day, please send a note to the school the first day stating that your student will be walking home. Walkers are to remain on the bench in the foyer of the school until a duty teacher escorts them off the campus. **Once a student leaves the campus of MES, they are no longer the responsibility of the school.**

### **Carline/Bus Changes**

**COVID bus change policies:** Students are to ride the same bus to and from school. Students are to ride their assigned bus only! There will be no bus to bus changes while we are under COVID restrictions.

Students are to have one, consistent way home every day; however, we realize that problems do arise. We have a procedure at MES to address possible changes. Please remember that this is a privilege and should not be abused because it is very confusing when parents change their student's daily routine. MES does the best we can to make sure your student gets where they need to be safely. If you are making changes several days a week, you may have the privilege revoked at any time.

**If you must change the way your student gets home in the afternoons, please send a dated and signed note detailing how you want your child to get home.**

Please include the address of the stop and, if they are in carline, please indicate who is picking the student up from school. Students are to bring the note to the office during breakfast for the principal, assistant principal, or secretary's signature. If you must call in a bus/car change, please do so before 2:00 pm. There will be no changes made after the 2:00 deadline. Called in changes are written on two-part paper with one copy going to the teacher/student and the other copy is kept in the office as record.

**We will not allow any changes based on what a student tells us!**

If there is no note or phone call, they will be sent home the way they would normally go home. Any student who makes changes to their normal way home without permission from the office will be subject to disciplinary measures.

### **Student Records**

**It is the parent's responsibility to update their student's records of any address or phone number changes.**

If there is an address change, parents will need to bring in three proofs of residency just as they would if enrolling for the first time. The parish requires samples of 3 of the following:

- |                 |                            |                         |
|-----------------|----------------------------|-------------------------|
| 1. Rent receipt | 2. Voter registration card | 3. Vehicle registration |
| 4. Utility bill | 5. Homestead exemption     | 6. Income Tax form      |

Each sample of address verification must have the parent's name and the new address to be acceptable as documentation. Students found to be living outside of the Mangham School Zone will be required to leave and enroll in the school for which they are zoned. No exceptions!

### **Items Not Permitted at School**

The only time students should bring toys, games, etc. to school is when their teacher instructs them to do so (for show and tell, field trips, for example). **No radios, headphones, electronic games, beepers, cell phones, playing cards, balls, water guns, fidget spinners, collector cards, etc.** Items brought will be confiscated and a parent will be required to retrieve these items from school.

### **Cell Phones**

MES realizes that sometimes a student will need to bring a cell phone to school because they are going home with someone or may have an after school activity. **Students who bring a phone to school must turn that phone in to their homeroom teacher first thing that morning and pick it up in the afternoon before boarding their bus/car.** Any student who fails to do so will have their phone confiscated and will have to pay a fine. See Richland Parish policy on Cellular Phones and/or Other Telecommunication Devices.

### **Dragon Folders**

Dragon Folders are sent home daily or weekly depending on the grade level of the student. Parents are to look over their work, sign the sheet in the folder, and return the papers on the next school day. This is an important way for teachers to communicate the progress that each student is making in their school work and their behavior at school. If you would like to keep the papers for longer than the day, just write a note to your child's teacher.

### **SCHOOL GUIDANCE FOR COMPLIANCE WITH STUDENT DRESS CODE POLICY**

Due to the changing nature of trends in fashion and grooming, guidance given below is not inclusive of all possible violations. Building level administration is authorized to make the final determination as to student compliance pertaining to dress and grooming guidance listed below.

#### **ALL STUDENTS**

1. Shorts, skirts, and dresses may be worn in all grades and must reach at least two inches above the knee when worn at the proper waistline.
2. Overalls shall be worn with all straps fastened over the shoulder and buttoned completely on all sides. Some type of shirt will be worn under overalls.
3. All skirts and pants shall fit at the normal waistline. Oversize clothing shall not be permitted; neither shall extremely tight clothing be permitted, as determined by the principal or his/her designee.

9. Hair must be neat, clean and well groomed. Rollers, pins, nets, or other similar head apparel shall not be worn on the head. Numbers, symbols, words, patterns, or phrases shall not be worn (cut) in students' hair if deemed offensive, obscene, gang-related, or cause a disruption of the learning environment by the administration.

17. Pierced jewelry shall not be worn other than in the ear.

### **Office Rules**

The school office is a place where school business is transacted. Students should only be in the office when the teacher or an administrator sends them. Upon entering the office, the student should wait quietly in the reception area until the secretary is able to attend to his/her needs. Parents are welcome to visit our school at any time. Please check in with the office immediately when entering the school so that we know you are on campus. You will be given a tag before being allowed into the school. Failure to do so could result in you being asked to leave the campus. This policy is for the safety of our faculty and students and protection of the learning environment.

Parents are encouraged to call and make an appointment if they need to meet with the teacher, assistant principal or principal. Walk-ins are welcome but subject to the teacher, assistant principal, or principal being available at that time. It is better to make an appointment if possible.

### **Student Use of Office Telephone**

Any student requiring the use of the office telephone must get permission from his/her teacher and from the office personnel. Pupils will not be called to the telephone except in cases of

emergency. If your contact information changes at any time in the year, please call the school to update your information. **All students MUST have an emergency telephone number on file in the office. Please alert the office if your phone number changes.**

### **Accidents/Illness**

If a child becomes seriously ill or is seriously injured at school, the school will immediately get in touch with the parent. The Family Care Clinic has a nurse stationed at the school and may see sick students if the office staff deems it necessary. These nurses will call parents after assessing the student's condition. They will not administer any medicine without contacting the parents of the student. We also have a school nurse that drops in each day and can check on sick or injured students. It is very important that parents leave an emergency telephone number in the office in case such an event should occur. Parents will be contacted to pick up their children who become ill at school.

Students running a temperature (97 degrees or more) should not come to school and should be free of fever for 24 hours (without medication) before returning to school in order not to expose others and to speed their recovery. A doctor's excuse will be necessary for an absence to be an excused absence.

All activities will be adequately supervised at MES; however, accidents do occur. Parents will be contacted in the event of an accident, and an accident form will be sent home. If needed, the school nurse will be called to check on the student. Parents must bear the expense for injuries to their children and should consider purchasing school insurance or private insurance for their children.

**If your phone number changes for any reason, please call the office and update your contact information. Nothing is more heart wrenching than trying to find the parent of a sick child and all the contact information is wrong!**

### **Clubs and Reward Activities**

#### **4-H Club**

Mangham Elementary School is proud to be able to offer our students the opportunity to participate in conjunction with the LSU AgCenter. 4-H is an opportunity for our students to learn about leadership, citizenship, and life skills. Members of 4-H can participate in contest ranging from sewing to showing livestock. All students in 4<sup>th</sup> and 5<sup>th</sup> grade are eligible and encouraged to join. Club meetings are held once a month and facilitated by a representative from the 4-H extension office and a MES teacher. Dues are announced at the first meeting each year. Visit the 4H website for more information. <http://www.lsuagcenter.com/en/4h/> Students will be allowed to attend Achievement Day that is sponsored by the LSU AgCenter. Students must complete the necessary requirements to attend.

#### **National Junior BETA Club**

The MES BETA club encourages our students the ideals of academic achievement, character, service and leadership. **Membership is a privilege and not a right.**

*The qualifications for membership on the part of the student shall be: (a) worthy, moral and ethical character; (b) exemplary achievement, and (c) commendable attitude. The*

*standards and means for appraising these qualities shall be determined by the administration of the school where the chapter is located. Since the purpose of the organization is to select, honor, and encourage students possessing these characteristics, it shall be within the province of the administration of each school to set up such local standards of membership as shall best serve to bring together in the chapter students who merit distinction because of these qualifications. All students must be performing at or above grade level in order to be eligible for membership. Local school administrations are at liberty to limit membership to certain grades.*

*(The National BETA Club handbook)*

At MES, students are selected for the BETA club by the school sponsor and principal based on academic achievement, attendance, and discipline referrals. National BETA club membership is available to 5<sup>th</sup> graders. MES includes 4<sup>th</sup> graders in its BETA club but they are not eligible for National BETA membership. For more information on National BETA, visit their website at <http://www.betaclub.org>. Each spring, students who meet the criteria set forth in the BETA contract may participate in the annual BETA field trip. Be aware, that monies raised or paid toward this trip cannot be refunded once payment is made to the travel agent. The sponsor will receipt each payment and that receipt is needed for reimbursement. For more information on the MES BETA club and field trip, contact Christina Pierce, MES BETA sponsor.

### **Renaissance Club**

The Renaissance Club is a combination of hard working students from our Accelerated Reader and Accelerated Math programs. The club provides incentive for MES students to work hard in these programs.

Top Accelerated Reading students are rewarded for the hard work of our top readers at MES. Students can qualify for this special event in the following ways:

3. Earn 100 points or more in 2<sup>nd</sup> and 3<sup>rd</sup> grades.
4. Earn 100 points or more in 4<sup>th</sup> and 5<sup>th</sup> grades.

Also, they must read books within the range determined by their STAR Reading assessments and pass AR tests to earn points. Teachers will look at each student's total points on the first Friday in May. These students who meet the above criteria will be invited to attend the special event. Students may continue to test on reading books and stories until the Friday before their grade level award's day in order to be eligible for the monetary awards at the end of the year. MES is always looking for ways to help our students shine, and our graduation ceremonies are one of those ways. To be eligible to participate in these ceremonies, a kindergarten or fifth grade student **must** meet the promotion requirements outlined in the Richland Parish Pupil Progression Plan. ## **Mangham Elementary School-Wide Positive Behavior Master Plan**

### **Positive Behavior Support**

In order to assure classroom management using positive behavioral supports and effective disciplinary tools, Mangham Elementary School will identify data-driven academic, career and technical, discipline/behavioral performance results in the School Improvement Plan (SIP). Mangham Elementary School will establish and use a school-based leadership team to meet on a regularly scheduled basis to review data and guide the positive behavior process. This leadership team shall, to the extent possible, include representatives of the school administration, both regular and special education teachers, parents, guidance counselors, and school bus operators (It may also include other groups, e.g., food services workers).

The leadership team will use a decision-making process utilizing a data-management system that allows graphical representation of discipline issues. Said data system will permit regular and efficient monitoring and evaluation of the effectiveness of the implementation of a school-wide system of discipline. School data collection shall include, but not be limited to, average referrals per day per month, referrals by problem behavior, referrals by location, referrals by time, referrals by student, referrals by staff, individual student report by month and by year, and referrals by grade level. Environmental changes may be made as indicated by data. For instance, increased monitoring, schedule changes, or changes in recess structure may help to alleviate congestion or over- crowding at certain times during the day.

The team will uniformly use the two BESE-approved forms, i.e., “School Behavior Report Form” and “School Bus Behavior Report Form,” to report incidents of alleged discipline violations. The referral system will be utilized consistently and appropriately.

The leadership team will review and revise any Zero Tolerance Policy of Mangham Elementary School to ensure that the policy is in compliance with R. S. 17:416.15; the policy does not violate R. S. 17:416 (H) which prohibits disciplinary action against any pupil reasonably acting in self-defense; and that inappropriate referrals are not made to agencies serving children.

The leadership team will review and revise its policies and procedures for handling suspensions and expulsions at Mangham Elementary School to ensure that suspension/expulsion policies are consistent with R. S. 17.416; suspension/expulsion policies are consistently and fairly executed; and alternative interventions, consistent with best theory and practice, to suspensions/expulsions are used including, but not be limited to, counseling, conflict resolution, social and family responsibility, peer mediation, and stress and/or anger management.

The leadership team will make referrals, as appropriate, to Alternative Education Programs that are designed to offer variations of traditional instructional programs, as well as strategies for the purpose of increasing the likelihood that students who are unmotivated or unsuccessful in traditional programs, or are disruptive in the traditional school environment, remain in and be successful in school.

The leadership team will review the current Code of Student Conduct of Mangham Elementary School to assure that it is in compliance with R.S.17:416.12, R.S. 17:416.13 and Section 4114 of the No Child Left Behind Act of 2001 (NCLB). They will refine consequences to create a reward/incentives program for positive student and teacher behavior and ensure the delivery of consistent reinforcement. The team will define consequences for rule violations that are clear, reasonable, and consistently enforced and which support maximum time in instruction

The leadership team will monitor, evaluate and modify the school master plan, as needed, throughout the school year.

Mangham Elementary School adopts the following clearly defined behavioral expectations in these four basic rules.

1. Be Respectful
2. Be Responsible
3. Be Safe
4. Be Prepared

These rules shall be posted in prominent places around the school site, e.g., hallways, cafeteria, gymnasiums, dragon folder, and classrooms. These rules shall be provided to parents and shall be known by all students and school staff.

Each teacher at Mangham Elementary School shall develop lesson plans and teach expectations across each school setting by providing direct instruction on expected behaviors at the beginning of the school year and reinforced throughout the year for all students.

Mangham Elementary School shall design programs for students with special needs so that the students are challenged and engaged in school curriculum, and are appropriately placed so they remain in school rather than being suspended/expelled or becoming drop-outs.

The principal of Mangham Elementary School shall submit annual reports to the district's Discipline Policy Review Committee.

## **MES School-Wide Discipline**

Every student at Mangham Elementary is entitled to a safe school environment in which to grow and learn. We believe all students can behave appropriately while at school. We will allow no student to stop a teacher from teaching or prevent other students from learning. Each classroom establishes rules, rewards, and consequences and there are also guidelines for out of class conduct in the halls, restrooms, cafeteria, and playground. Teachers will teach their expectations at the beginning of the year and at intervals throughout the year. The choice of behavior is the student's. Inappropriate behavior will result in disciplinary action and, if the behavior continues, could eventually lead to the suspension or expulsion of the student from school.

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Richland Parish Title 1 believes that it is the system's responsibility to assist schools in coordinating and implementing programs for and with parents that will address the needs of students, parents, families, communities, and the school.

### How can you get involved?

- Join the Parental Action Committee. Meetings are held four times each year where parents and staff can review the school's improvement plan, family engagement policies, and parent nights.
- Attend our annual Back to School Night. At this meeting, you can find out about the requirements of the Title 1, Part A program. An explanation of this policy is also included in the school's handbook.
- Attend our parent nights twice each semester to learn about the school's goals and objectives for our students, the various curricula and assessments used by the school, the Louisiana State Student standards, and the LEAP 2025 state assessments.
- Parents can offer suggestions and participate, as appropriate, in decisions about the education of their child at any time. These suggestions can be made through the teacher or office and should be in letter form with contact information.

## "How to Train Your Dragon!" Family Nights

You, as a parent of a student at MES, have the opportunity to learn about our school through the

We will have a great time set aside for learning and fellowship!
